Goodyear / Avondale - "A Tale of Two Cities"

=====

=====

Shipmates, the Base's attendance at the last two events -- Laveen and the downtown "Best Fest" static display -- was pretty meager. In fact, the only attendees we had were Base officers.

But coming up next Saturday (Feb. 25) is an event that looks to be fun, convenient, and in our float's storage home town.

The cities of Avondale and Goodyear will host a joint parade through both cities to commemorate the state's 100th anniversary of statehood.

"A Tale of Two Cities – Avondale & Goodyear Celebrate Arizona's Centennial" Parade will follow Thomas Road, from Litchfield to Dysart Rd, beginning at 10am and ending with an exciting, family-focused festival, titled: "Planes, Trains and Automobiles – 100 years of Transportation in the Southwest Valley" at Estrella Mountain Community College.

Staging starts at 9 a.m.(see the map below.) Be there and support your **Submarine Veterans Base.**
