“DESERT 1MC CACTUS”

**News for the WD1 District #01-01,
2014**

The Western District 1 Commander, Jim Denzien, is recovering in Glendale, Arizona’s Thunderbird Hospital after successful stint insertion surgery to repair a abdominal aorta aneurism. The procedure was conducted this morning, Jim is awake and alert, and will probably be released later this week.

There is no information on a room or phone number at this time.
