AFTERGLOW

*I'd like the memory of me
to be a happy one. I'd like
to leave an afterglow of
smiles when day is done.*

*I'd like to leave an echo
whispering softly down the
ways, of happy times and
laughing times and bright
and sunny days. I'd like
the tears of those who
grieve to dry before the
sun, of happy memories
that I leave behind when
day is done.*

A tribute to Tim Moore

~

I have one consolation that lives with me today.

That God is near to them, in His own special way.
So God in all your mercy, keep near Thyself the soul,
Of every submariner, still on his final patrol.

Lord, this departed shipmate
with dolphins on his chest
Is part of an outfit known as the best.
Make him welcome and take him by the hand.
You will find without a doubt,
he was the best in the land.

So, Heavenly Father add his name to the roll
Of our departed shipmates still on patrol.
Let them know that we who survive
Will always keep their memories alive.
