NEWS-01: The tip of the Ice Berg..

Shipmates,

As of the 2nd of July there were 182 shipmates and guests registered for the "2011 Convention", however (and it is in really small print on the convention web site page. 189 rooms have been booked at the Host hotel, University Plaza.

If there are only two people to the room, that would work out to 378 conventioners.

There is always a rush at the end, but now is a good time to get "convention" registered and have it all taken care of.

As a personal note I have discovered that flying from California to Branson is at least \$200.00 cheaper per ticket than flying into Springfield.

If you have not made your flight reservations you might want to check it out from your area. For me it is less expensive to fly into Branson and rent a car for a week than to fly into Springfield and take a cab or whatever..

Best,

Chuck Emmett
