Flash Traffic - 11/10/2011

#11/11-01

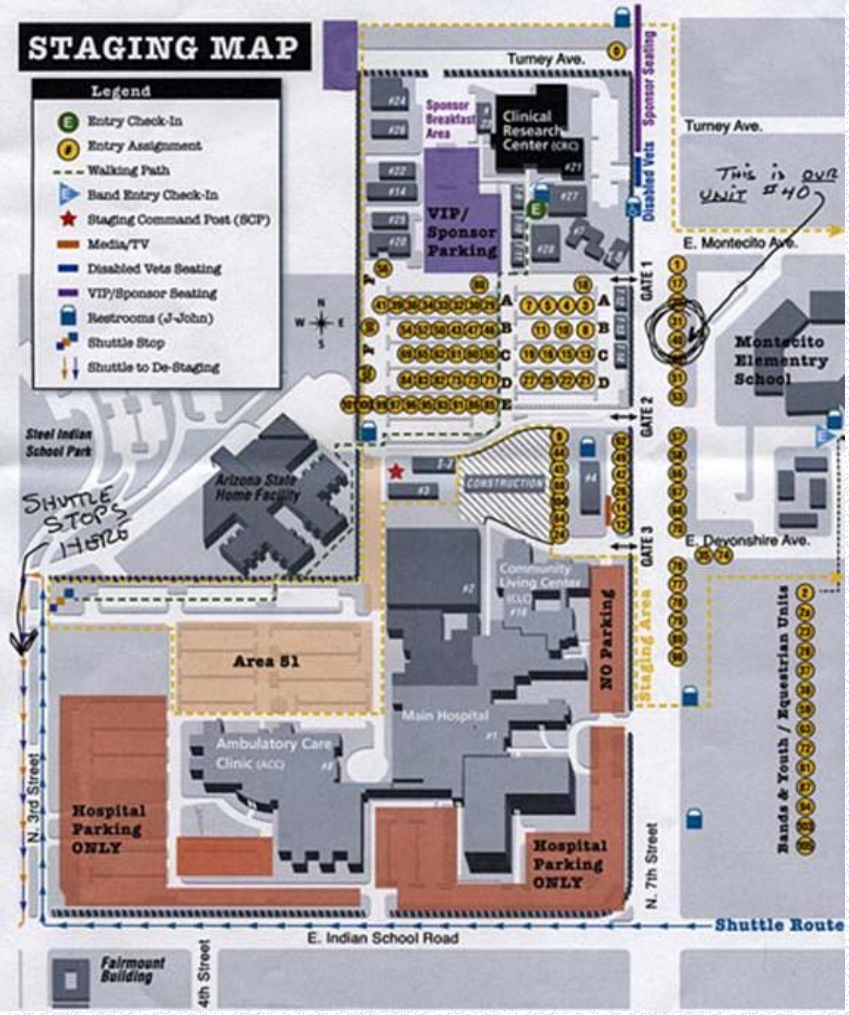

Veterans Day Parade (Phoenix) Details

We will begin decorating our two vehicles (USS Phoenix tow vehicle and passenger carrier vehicle) at Margaret T. Hance Park -- the deck park tunnel -- at 7:30 a.m. Coffee and donuts provided by APS/PVNGS. Then do the following:

1. Drive your personal vehicle up to the North Central Baptist Church parking lot (Central Ave. and Bethany Home Road.)
2. Take the free shuttle that will go down to the vicinity of the VA hospital (see map below.)
3. Walk over to where the float will be staged (again, see the map below.)?
4. The Parade will end at the Baptist church where you parked your car (surprise! surprise! a method to this madness!)
5. Drive back down to Margaret T. Hance Park for pizza and soft drinks, or . . . just go home
