#1 – Election for Base Commander is at this month's Base Meeting (3/11/17) and Richard Kunze is the only announced candidate. If Richard is elected (over any write-in candidate) that immediately leaves a vacancy at vice commander so (stay with me kids) we will then immediately open nominations for a new vice commander and if more than one, hold a show of hands election for that position. After that is all done, we should have a collective warm and fuzzy feeling! And a new Commander and Vice Commander who we shall parade around on our shoulders.

#2 – One of the more relaxed and just plain fun events of our year is the St Patrick's Day Parade at the Paradise RV Park (where we lapped three times!) But we need a driver for the passenger trailer. Please, can we get a volunteer.
