Subject: Importance of Early Convention Registration

Hello Perch & Tucson Base Members:

It is wonderful to see the Convention Registration number growing! And, it is especially wonderful to see more ARIZONA registrations coming in! Currently we are at about 80 attendees. As you know, the target number is 600.

How can you help you ask? You can help by registering and encouraging others to register. It is extremely helpful to have early registrations coming in because fellow shipmates across the country then see your name and, more importantly, your boat listed on the convention website.

The registration form is attached. Please please please take a few minutes right now to get registered. The registration cost is \$25. If you don't want to commit funds for the tours and activities, then you can sign up for those things later. Registering for the hotel does not cost anything until you check out at the end of your stay.

Thanking you in advance for all the work that is going into making this a convention to be remembered,
The 2020 Convention Committee
