Subject: USSVI National Elections

USSVI National voting has opened. Our Senior National Vice Commander Tim Carlyle explains how to use the new online system. If you are old school, a paper copy was included in your latest 'American Submariner' magazine. Please vote early rather than waiting and missing the opportunity to participate in this important event.

Base Commander

Shipmates,

I have Four Important Technology Items to share:

1. Election Voting: WE are using a platform called Election Buddy, and the ballots were sent out by Election Master Mike Bost. To find the email to vote, search for invitations@mail.electionbuddy.com (it may be in your inbox, junk or spam folder). If you have any questions reach out to Mike at subvet635@aol.com.
2. Our national office email ussvi@telebyte.net, had a server-side email disruption, and all emails sent here in the last 2-3 days were deleted. Please resend any emails if you need assistance.
3. <https://ussubvets.org> can no longer be forwarded to <https://ussvi.org> - please just use <https://ussvi.org> to get to our website.
4. New website changes are being updated/upgraded weekly. If you have put in a bug report (the only way to get things fixed), which is listed under USSVI Feedback on the website, when an item is completed, you will receive a call from me. [Feedback Form](#) - I recommend saving this

link as a bookmark.
Respectfully,
Tim Carlyle,
NSVC

PS: Your first response to this information may be why participate in this National Election? Understandable. A good reason to participate is to let the USSVI National leadership know that Perch Base, in Phoenix AZ supports them and cares about the leadership at the national level. Besides, this is a terrific way to support our Creed and all of our shipmates.

This is an official email communication from the USSVI Perch Base and does not require a response.
