Subject: **Black Mountain Elementary School Event Update**

Our submarine float will not be available for the static display at the Black Mountain Elementary Veteran's Day event this Friday. There is no volunteer to pull the float to the school. This is a disappointing development, especially being the first time we were invited to this school's event.

This incident highlights a bigger problem. Our Creed requires us to tell our story and to keep the memory of those who came before us flourishing. The Submarine Float and the People Trailer are the means to that goal.

We need volunteers to step forward who can provide a vehicle that can pull the Submarine Float and/or the People Trailer. The more of us who volunteer for this duty, there is more flexibility with assignments.

If you can volunteer or need more information, please contact Kirby Anderson at COB@perch-base.org.

This is an official email communication from the USSVI Perch Base and does not require a response.
